

WISE LAB

TEAM PROFILE COPY

Website-ready biographies and professional positioning

TEAM MEMBER 01

Muneaza J. Durrani

Project Director, WISE Lab

A venture builder and ecosystem strategist focused on turning early-stage potential into growth-ready enterprises.

Profile

With more than a decade of cross-sector experience, Muneaza brings together startup venture growth, founder mentoring, people strategy and ecosystem development. Her work spans technology, Web3, media, e-commerce, retail and manufacturing—giving her a practical understanding of what founders need to move from ambition to execution. At WISE Lab, she leads with a growth mindset, connecting women founders to the structure, mentorship and market pathways required to build resilient, investment-ready ventures.

Core Expertise

Startup Venture Growth • Ecosystem Strategy • Founder Mentorship • People Strategy • Cross-Sector Leadership

TEAM MEMBER 02

Kashmala Shahid

Communications & Partnerships Manager, WISE Lab

A strategic communications and partnerships professional who turns messages into momentum and relationships into opportunity.

Profile

Kashmala brings more than eight years of experience across strategic communications, public relations, media engagement, stakeholder liaison and programme visibility. Her background spans public affairs, trade and industry advocacy, government and diplomatic engagement, brand positioning, crisis communications and high-level event management. At WISE Lab, she shapes the programme's public narrative, builds high-value ecosystem partnerships and creates the visibility, credibility and connections that help women-led enterprises move forward.

Core Expertise

Strategic Communications • Brand Visibility • Media Relations • Ecosystem Partnerships • Stakeholder Engagement • Public Affairs

TEAM MEMBER 03

Fatima Shah

Growth & Monitoring Specialist, WISE Lab

A public-policy and social-impact professional advancing inclusion through evidence, partnerships and purpose-led action.

Profile

Fatima's experience sits at the intersection of public policy, financial inclusion, corporate social responsibility and strategic partnerships. With analytical experience linked to competition policy and a strong commitment to women's and children's advocacy, she brings both institutional perspective and human-centred insight into her work. Her contribution to WISE Lab strengthens the programme's ability to connect entrepreneurship with inclusive policy, responsible business and measurable social impact.

Core Expertise

Public Policy • Social Impact • Financial Inclusion • CSR • Strategic Partnerships • Women & Child Advocacy

TEAM MEMBER 04

Abeeha Widad

Video Editor, WISE Lab

A young creative translating ideas into visual stories, digital conversations and audience engagement.

Profile

Abeeha combines an academic foundation in media with hands-on strengths in content creation, social media management, awareness campaigns and visual design. As a self-taught artist, she brings an intuitive eye for composition, creativity and culturally relevant storytelling. At WISE Lab, she supports the programme's digital voice by transforming information into accessible, engaging and platform-native content.

Core Expertise

Content Creation • Social Media • Visual Storytelling • Awareness Campaigns • Creative Design • Digital Engagement

TEAM MEMBER 05

Esha Mubashir

Graphic Designer, WISE Lab

A visual designer building memorable brand experiences through clarity, composition and creative systems.

Profile

Esha is a graphic designer with a strong academic foundation in Media Studies and practical expertise in visual design, brand identity development, layout and composition. Proficient in Adobe Creative Suite, she approaches design as more than decoration—using structure, hierarchy and visual language to make ideas clear and brands recognisable. At WISE Lab, she translates the programme's transformation philosophy into a consistent, contemporary and impactful visual identity across digital and physical touchpoints.

Core Expertise

Graphic Design • Brand Identity • Visual Systems • Layout & Composition • Adobe Creative Suite • Digital Design

TEAM MEMBER 06

Iqra Shamshad

Finance Manager, WISE Lab

A people-and-process professional building the organisational discipline that turns ambitious programmes into sustainable impact.

Profile

Iqra brings together human resource management, financial administration and organisational coordination—three functions essential to building efficient and accountable teams. Her experience spans employee operations, accounts management, workplace processes and administrative systems, enabling her to combine a people-focused approach with strong financial discipline. As a Xero Advisor Certified professional, she complements her practical accounts experience with current digital financial-management capabilities. At WISE Lab, Iqra helps strengthen the institutional foundation behind the programme by supporting the systems, culture and operational stability required to deliver lasting impact for women entrepreneurs.

Core Expertise

Human Resource Management • Accounts & Financial Administration • Team Coordination • Organisational Processes • Employee Operations • Compliance & Documentation • Xero
